Re: MUR 5970
 They Work For Us, Inc.

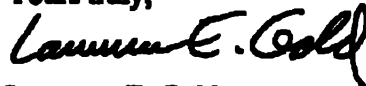

I am counsel to respondent They Work For Us, Inc. (TWFU).

The complaint against TWFU makes numerous factual allegations about conduct by TWFU, as well as many other groups and individuals, in connection with the just-completed Democratic Party primary election in Maryland Congressional District 4. The complaint also apparently alleges violations of various provision of the Federal Election Campaign Act, although it cites no specific provision or commission regulation.

I am in the process of reviewing the complaint and its extensive attachments and preparing a response to it on behalf of TWFU. In light of the possible complexity of this matter and other pressing professional obligations, I respectfully request a 30-day extension of time, from February 20 to March 21, to submit that response on behalf of TWFU. Please be advised that TWFU does not waive confidentiality in this matter.

Please contact me if you have any questions about this request. Thank you for your consideration.

Yours truly,

Laurence E. Gold
